We had the pleasure of having Liv DJ our community’s holiday party and couldn’t be happier with the experience. Liv was super organized and professional, making the whole planning process a breeze. Her intake form made it easy to share our vision for the event.

On the day of, Liv showed up well ahead of time for set up and was ready well before our guests arrived. The music selection was spot-on and matched the atmosphere perfectly. Liv truly elevated our holiday event, and I can't recommend her enough.

Liv was such a great partner during our Shoppers Drug Mart Beauty Bar Grand Opening! She was very professional, with a great setup, and great tunes! It really took the party to a whole new level. Her music selection perfectly matched the vibe we were trying to achieve, and she also adapted to songs people wanted to hear. It was overall a fabulous experience!
